# The Generics Bulletin Podcast: Recent And Upcoming Industry Events

*Our Editorial Team Discusses Conferences From Recent Months Through Into Early 2025*

by **David Wallace**

*Generics Bulletin's* editorial team discusses recent conferences held by Medicines for Europe and the AAM, while looking ahead to the key off-patent industry events that are on the calendar over the next few months and beyond.

This edition of the *Generics Bulletin* podcast sees editor Dave Wallace, deputy editor Dean Rudge and reporters Urtė Fultinavičiūtė and Adam Zamecnik discuss recent off-patent industry events such as the legal and annual conferences held by Medicines for Europe in Dublin in June and the annual meeting of the US Association for Accessible Medicines earlier this year, while also looking ahead to the key off-patent industry events on the calendar over the next few months and beyond.
